Statement of Commitment to Accessibility

Gateway Church promotes inclusion, and accessibility in our services, programs, care ministries, and employment/volunteer opportunities. We believe in the inherent dignity of all people and are committed to identifying and removing the barriers that prevent full and meaningful participation in all aspects of church life.

Gateway Church respects and upholds the requirements set forth under the Accessibility for Manitobans Act (2013), and its associated standards and regulations. We are committed to ensuring our Church's compliance by incorporating accessibility into our policies, procedures, training and best practices. We will make every effort to meet the needs of individuals with disabilities in a timely and effective manner.

Providing an accessible and barrier-free environment is a shared effort, and as an organization, Gateway Church is committed to working with the necessary parties to make accessibility for all a reality. For more detailed information on our accessibility policies, plans, and training programs, please contact our Accessibility Coordinator at accessibility@gatewaywinnipeg.com, or by calling 204-989-6580 ext. 209.

Sincerely,

Ron MacLean
